

2018 SITA REGULAR SEASON VOLUNTEERS

1. Your school is responsible for providing officials for each event listed below. If you are unable to provide coverage, it is your responsibility to find a substitute PRIOR to the meet. You have received a coach list of emails and phone numbers.
2. Make sure that all volunteers are briefed on the rules prior to the meet. Rules are posted on the clipboard as well as on line.
3. All volunteers are to report to the score table 10 minutes prior to the start of each meet. They will receive their volunteer badges and directions. ONLY SITA assigned volunteers will be allowed on the track and field.
4. Issues that come up in regard to any rule violations, eligibility or disqualifications will be brought to the head official running the meet, usually at the start or finish line, not to the scoretables. Individual schools running the events should not attempt to settle these issues without the decision of the head official.
